

## **UA LITTLE ROCK EARLY CHILDHOOD ALTERNATIVE PREPARATION PRE-K ACADEMY**

---

The UA Little Rock Early Childhood Alternative Preparation Pre-K Academy provides candidates the opportunity to complete the requirements for first-time Pre-K licensure in two semesters. Candidates will accrue 9 hours of graduate credit.

**Classes begin on May 23 in Summer 2022 and on August 19 in Fall 2022.**

- ❖ An Onboarding session for academy candidates will be conducted on May 23.

### **Goals of the Academy...**

- ❖ We offer a program that aligns with evidenced-based practices, current teaching methodologies, inclusiveness, and diversity.

## **Academy Highlights**

### **What you will learn...**

- ✓ You will learn how to connect research with practice in the early childhood classroom through deep exploration of the pedagogical, theoretical, and practical knowledge required to teach and advocate for young children and their families at the local, state, and national level.
- ✓ You will learn advanced yet appropriate curriculum strategies for engaging young children in learning environments that recognize the strength of incorporating the diversity of families and community into the classroom.
